There will be a short but impor-tant business meeting proceeding an informal reception to the honor guest. Judge Bingham has conented to make a short patriotic address. He is an able speaker as he proved to a Washington gather-ing recently when he was the guest of the Southern Commercial ress at a banquet at the University Club. After the address of Judge Bingham there will be dancing for those who care to dance. Judge Bingham will in the near future make his headquarters in Washing-ton to personally direct the affairs of the Southern Commercial Congress. Attention is directed to the fact that admission to all the functions of the Southern Society is by card only. A number of invitations will be sent out for this meeting to distinguished persons in Washing ton to meet Judge Bingham.

Victor Murdock will b nostess this afternoon, at the week ly tea to be given at the National American Woman Suffrage head-

Noyes, Mrs. Cordelia Powell Oden-heimer and other members of the hostess' committee and Mrs. John F. Shafroth, of Colorado, Mrs. John E. Raker, of California, Mrs. Ed-ward Keating, of Colorado and Mrs. Elizabeth Herndon Potter, of Texas. At the tea table will be Mrs. Thomas Sterling, of South Dakota; Mrs. William H. I once knew a sunshiny woman who was always bright and cheerful and bubbling over with fun. Another woman asked this Pollyanna the se-

getting gloomy, and misanthropic, and brooding over every little thing that goes wrong, and not your heart that is out of orderit's your liver.'

Another place in which we show how little common sense we use in trying to solve a big problem is the way in which we ignore the fatal ef-fects of duliness and monotony on the domestic morale.

It is a matter of common knowledge that no matter how picturesque, or delightful a place may be, no matter how perfect its climate is, we weary of it after a while, and get so that we can see none of its beauty. Also that no matter how intelligent, how amia-ble, how agreeable, and charming a person may be, or how fond we may

have reached a state of irritability, cal or military. There is also & where they jar on each other, and quarrel at the drop of the hat, one or the other hasn't enough sense to say, other, and ister sign for the navy. "It's time I took a little trip for the good of the family," is past finding out.

For experience has shown its ef-

for experience has shown its ci-ficacy 1,000,000 times. Every man knows that he is as glad to welcome fortunate for the President or for any his wife back after her summer vacation as he was glad to have her go, and every woman knows that she goes away from home thinking her tion to blame persons in high place.

It is pointed out by the seers that

goes away from home thinking her husband a pretty poor makeshift of a man, though when she comes back he looks like a prince to her.

Also every woman knows that no matter how dissatisfied she was with her lot, or how poor a place her home seemed to her, that after a few weeks away from it, it becomes the one desirable spot on earth. Change is the commanders should be exceedingly commanders should be exceedingly the state of the s greatest remedy for discontent, yet when we find ourselves growing disgruntled, we haven't enough sense to apply it to our own cases.

apply it to our own cases.

The fact that husbands and wives who think they have ceased to love each other, and that they cannot endure life toegther, are only suffering from a surfeit of each other's society.

The position of Saturn and the give in the properties of the properties of the properties of the position of Saturn and the give in the g capital. This committee will jointly advise on local problems.

Mrs. Richards formerly was head of the State-City Women's Employment Bureau in Cleveland. For two years she was an employment average of the state-City was an employment average.

If rom a surfeit of each other's society, needing but a judicious separation to have their affection revivied again, is amply proven by the number of divorced people who remarry. If some sort of a trial divorce could be invorced people who remarry. If some sort of a trial divorce could be instituted by law, so that quarreling couples could be separated for a year, with the privilege of resuming their former relative and the box. former relationship, it would prac-

tically eliminate the divorce evil.

Another potent source of misery that could easily be dispelled by the use of a little common sense is the use of a little common sense is the abolition of compulsory family life. Why should we have to be fretted, and harassed by people who are totality uncongenial because we happen to be born kin to them. No good purpose is served, and the sooner that we realise that the sooner that pose is served, and the sooner that we realize that it is better to live in peace with strangers than to fight with our sisters and brothers and cousins and aunts and mothers and fathers the cousins and aunts and mothers and fathers, the sooner will we make life

worth living.
It is pitiful to think how unnecesarily unhappy so many people are, and how easily they could make themselves happy if they only had enough intelligence to do it.
